

This place had ducks automatically making it the best place ever

Cock on Rock but warped (& another one that isn't warped)

Incorrect flying animals

“An alpha among betas...”

Tú can

I'm pretty sure these are the only penguins in the world that can catch malaria

I went near one

Torpedo

Feeling of being watched

Big motherfucker

This condor really liked me because it followed me a bunch

Nearby a big guy

There was a lorikeet feeding event & I got to do it

Balls eagle

Birds with names that I thought was kinda funny

There was no bird named Tupac

Hombre Simpleton's wife

This is just that audio illusion meme

2 peas in a pod

The gift shop had some small duck feet (I did not buy them but I took this picture)

Bonus pic from the museum of illusions
